MOTION FOR ECF FILING

NOW COMES, Plaintiff Gunter Jr., a state and federal lobbyist, seeking ECF filing access in set with the local rules. The truth is the Plaintiff - although pro se - is more than capable of using ECF. Countless other courts have authorized the Plaintiff to have ECF filing access because it accords with common sense and actual justice. Not all pro se litigants are created equal. Plaintiff Gunter is a Technology expert. Plaintiff Gunter has ECF filing access in all of the other cases he is involved in for good cause. Plaintiff Gunter has these items:

1. personal computer running a standard platform;
2. word processing software for creating pleadings and software use to convert pleadings to PDF;
3. PDF reading software used to read documents converted to PDF;
4. An email account and Internet service for sending and receiving emails;
5. Internet browser that is compatible with CM/ECF;

6. A PACER account with PACER login and password;
7. A document scanner. As a condition to obtaining an ECF login and password, Plaintiff Sevier understands and agrees to the following:
 - a. That he is required to maintain and keep the aforementioned systems in working order;
 - b. That he may only file electronic documents in the above referenced matter;
 - c. That the clerk's office will terminate his ECF Registration should an attorney subsequently file an appearance on his behalf in the above captioned case;
 - d. That the court may terminate his ECF Registration at any time for failure to comply with any of the above conditions or other conditions stated in the ECF Registration Form.

WHEREFORE, Plaintiff Gunter respectfully requests that his motion be granted.

/s/John Gunter Jr./
